

# Statement on The Patent Introduction and Distribution Policy of "Mshine Marble Pad"

Ashine Diamond Tools Co., Ltd. and its subsidiary, EZshine Diamond Clean Technology Co., Ltd., are the holder of the invention patent ("a diamond resin bond abrasive disc and its preparation method and application") and design patent ("a diamond resin bond abrasive disc for marble mechanical polishing"). Our patents are officially issued by China State Intellectual Property Office. Besides, our two design patents are also successfully issued by EUIPO (EUROPEAN UNION INTELLECTUAL PROPERTY OFFICE).

The invention patent, No.: ZL 2019 1 1177454.5, was applied on November 26, 2019, and issued on February 5, 2021. The authorization announcement number is CN 110842800 B. The validity period of the invention patent is 20 years, which is currently within the validity period.

The design patent, No.: ZL 2019 3 0654347.1, was applied on November 26, 2019, and issued on April 10, 2020. The authorization announcement number is CN 305698279 S.

The validity period of the invention patent is 10 years, which is currently within the validity period.

The design patent issued by EUIPO are No 008607618-0001 and No 008607618-0002. The validity period of the invention patent is 10 years, which is currently within the validity period.

Any enterprise or individual who has not obtained the authorization shall not infringe on our patent right. ASHINE and EZshine remain the right to claim any infringment to our patent right by legal means.

Since 1993, Ashine has focused on the research and development, production, and sales of diamond technology for floor grinding and polishing and its products. Dedication and integrity are the core values of Ashine. For 28 years, we have been focusing on the interests of regional distributors. Ashine committed to providing professional and efficient services to end-users in various regions through distributors to solve floor grinding and polishing problems.

Here, we kindly remind our dear customers, please purchase this patented product through legally authorized distributors in your market. Only the authorized products can enjoy more detailed and professional after-sales service, and avoid the economic and legal risks. If you need the information of authorized dealers in your area, please contact our sales engineers by telephone and email. (www.ashinediamondtools.com or www.ezshinepad.com)

Ashine and EZshine encourage all regional distributors to actively report counterfeit and inferior goods in their respective regional markets. Once verified, we will not tolerate it and take legal actions. Ashine will always stand with its distributors and work together to create a fair competition and sustainable development market environment.

Hereby declare.
